

The Israeli District Court recently ruled (in favour of the taxpayer) in the case of Medingo Ltd. ('the Company'/'the Taxpayer') involving change in Company's business model and whether the same constitutes "corporate reorganisation". * Sanjay Kapadia, Member of the ICAI, and a Law Graduate from the Mumbai University is the founding Partner of S K M S & Co. LLP, Chartered Accountants. The Firm advises clients across sectors on Tax & Regulatory matters. In the past, he has been associated as a Senior Advisor KNAV & Co., partner with B S R & Associates LLP, Ernst & Young, RSM & Co and an Executive Director with PwC.
