# THE DASTUR ESSAY COMPETITION 2021

## For Students of Law & Accountancy

### The Dastur Essay Competition

The Chamber is one of the oldest professional organisations founded in 1926 and is now in its 94<sup>th</sup> year. The Chamber has been organising the Dastur Essay Competition since 2012 for Law Students and Articled Trainees pursuing CA, CS and ICWA Courses, where essays on current topics are invited and then the same are judged by senior professionals with prizes and certificates being awarded to meritorious essays.

We, at the Chamber believe that young students are the future leaders of our nation. They have the strength to bring ideas to life. Writing, a dying art today, is an important tool for encouraging the young fresh minds with novel ideas, to express themselves on topics of professional interest and get recognised by a professional forum, with around 4,000 members, through publication of the top three essays in 'The Chamber's Journal' and e-Journal 'Jignyasa'.

Hence, by participating in the Tenth Dastur Essay Competition of the Chamber, we request the budding professionals to be passionate about expressing themselves through their words and to take this opportunity to get the creative ideas flowing and allow the author within to blossom.

### Topics for the Tenth Dastur Essay Competition are:

1. **Impact of Covid-19 on human behaviour, habits and how should one tackle the problem.**
2. **The Agricultural Imbroglio – Is it justified and its Solutions.**
3. **Freedom of expression is a Citizen's inalienable right.**

### Objectives

The objectives of the Competition are to cultivate good reading and writing communication skills coupled with encouraging "passion for writing" and "creativity", a quality which every human being possesses, which is possibly hidden and may be unknown to the individual himself.

The Dastur Essay Competition gives a platform to the young professionals to showcase their characteristics that illuminate the good students and potentially great writers. This Essay Competition invites students to explore a wide range of challenging and interesting questions beyond the confines of the college curriculum.
