## Learning Management Solution Online Learning Platform of the Chamber of Tax Consultants

Dear Members,

The last one year has completely revolutionised humanity to think digitally in every aspect of life. The Chamber in its constant effort to improvise education amongst the tax professionals has very well adapted to this digital route. In last one year alone, it has successfully held more than 165 web-based learning programmes.

To further aid the digital learning experience of its members and to continue its tradition in providing excellent learning opportunities, the Chamber hereby Unveils an Online Learning Platform for all its members called Learning Management Solution [LMS].

### ➤ What is LMS?

- LMS is aimed to provide a great learning experience to its members Anywhere, Anytime!
- It is a powerful online learning management platform whereby videos of some of the most important programmes held during the year will be streamed at the click of a button.
- It will also provide an easy access to all the learning materials and presentations delivered by the experts on the subject matter.

### ➤ How to access the LMS?

- To avail on demand programs the members to [Click Here](#)
- Browse through our wide range of topics.
